

SCHOLARSHIP INSTRUCTIONS

LIFT Private Pilot Scholarship

A \$2,000 scholarship is available for a student pilot of all ages working on her private pilot's license. The successful candidate will have a promising plan for training completion and for giving back to the aviation community. The award money will be provided directly to the successful candidate's flight training program.

LIFT Advanced Training Scholarship

Advanced training will include an instrument rating, commercial training, or multi-engine add-on. The successful candidate will be provided \$2,000 through her flight training program to go towards her training.

LIFT Specialized Training Scholarship

A \$1,000 scholarship to be used towards training that aims to improve skill without necessarily leading to a certificate—tailwheel endorsements, upset recovery training, an introduction to aerobatics, the sky is the limit! Just tell us what you need the money for!

To be eligible for any of the aforementioned scholarships, you must be a member of the LIFT Facebook community.

To apply, provide (the first three documents in a single PDF) by June 30:

- ✈ a completed application, typed.
- ✈ your resume/curriculum vitae.
- ✈ your scanned medicals, certificates, and last three logbook pages, emailed to liftscholarship@gmail.com.
- ✈ two letters of recommendation, emailed to liftscholarship@gmail.com. At least one of your references should have flown with you.

In the event additional information is required, you may be contacted for a short interview.
